

## Welcome Fall 2017

September 23, 2017

at Circle Sanctuary Nature Preserve  
near Mt. Horeb, Wisconsin

*Coordinated by Judith*

Join us for a joyful celebration of the time of the Fall Equinox, the harvest season, and the ancient festival of Mabon. During the balance of light and dark we seek balance within ourselves, and

connect to that which sustains us, physically, emotionally, and spiritually.

Featuring workshops and activities for adults and kids, and a Fall Equinox ritual!

Bring a picnic lunch, your entry for the "Tastes of Fall" contest, extra bounty from your garden you would like to donate to the Farmers Market table and any craft skills you would like demonstrate during the Faire. Preserves, baked goods, fiber crafts, and children's artwork will be judged and shared at the end of the day.
