

## Samhain 2018

### Beyond the Gates of Time

October 26 - 28, 2018

at Circle Sanctuary Nature Preserve  
near Barneveld, Wisconsin

*Coordinated by Revs. Georgette and Bob  
Paxton*

The Wheel of the Year has reached its pinnacle and a time of reflection and renewal draws upon us. As we reach across the Veil and walk between the Gates of Time, we honor those who have passed before us and open our hearts to the lessons of memory and the wisdom of the Ancestors. Join with beloved community as we celebrate endings that are beginnings, revel in the gifts of today, and step with open eyes into the season of transformation.

Space is limited for this popular festival, so reserve your spot today!

#### Activities at this year's Samhain include:

- Friday night's Witches' Ball, featuring **Water Street Bridge!**

*These veterans of stage and studio blend Celtic, blues, old timey, Americana, sea shanty, pseudo-Slavic, jazz, Creole, art rock, reggae, comedy and original songs into something that can only be described as "eclectic acoustic." Brandishing an impressive arsenal of musical instruments they bring new life to tales of old, old sounds to tales of*

*today, and twisted takes on tales never meant to be told. Holding true to its original vision, Water Street Bridge remains a creative collective, thriving off the input and participation of a variety of*

musicians, artists, dancers and poets. Steam powered, funky out... this AIN'T your momma's folk music.
