

Samhain 2021

Circle Sanctuary's Samhain Festival is taking different forms in 2021.

Due to the continued spread of the Delta variant of COVID, we will not be gathering in-person for a three-day and two-night festival as in pre-pandemic times.

Instead, we will have a Virtual Samhain Festival on Saturday, October 30, including online Workshops and Rituals, plus our Annual Meeting.

On Sunday, October 31, we are planning a special Samhain Day Sacred Journey Retreat in-person at Circle Sanctuary land. This will include opportunities to Honor Beloved Dead, to do Healing and Repatterning, and to do Samhain Divination. It will take place outdoors at Circle Cemetery and other locations on Circle Sanctuary land, regardless of weather. Advanced registration with proof of full vaccination will be required.

More details and registration will be available soon.
