

## Samhain 2022

**Samhain  
2022  
October 28-  
30, 2022**

*Past - Present -  
Future*

As the veil thins, our bonds with our ancestors are calling for care and renewal. We will gather to gain strength in our life stories by honoring and respecting our ancestors. By acknowledging the sacrifices of our ancestors of past and empowering

those relationships in our present everyday lives, we can heal and see others and the world differently in the future.

### **SCHEDULE OF EVENTS:**

**Friday**

**Noon:** Gate opens for arrivals

## **2 – 3 PM:** Connections of Past with Shel in the Cemetery

*Let us start off the weekend by preparing the cemetery for the weekend's festivities and the 'attendance' of our community members who have already passed. In the same way that you clean the house before your company arrives, we will clean up the cemetery, so it is welcoming when they get here. We will also make gravestone rubbings to be used later in the weekend and have a small ritual where we formally invite our deceased community members to the main ritual. Items to bring if you are able; a rake, soft bristled broom or brush, flowers or other biodegradable offerings, songs, chants or poems to share during the invitation ritual, paper and chalk for the rubbings. And don't forget coins to leave for them to use when paying the ferryman on their trip back and forth. Any coin will do but I like to use the US quarters with the different pictures on the back. Any type of coin that is used with intention and well-meaning will work.*

## **4 PM:** Opening Ritual with Rev. Sharon & Others in the Cemetery

## **5 PM:** Dinner served behind the farmhouse

## **7:30 PM:** Gate is open for those attending only the Witches Ball

## **9 PM:** Witches Ball with the Toolies!

*Break out your best costume and come enjoy the lively entertainment of Irish Band - The Toolies! The Toolies have created their own fiery brand of Irish pub music. Combining traditional tunes with powerful originals and a few favorite pub songs, Amy, Peter, and Kurt bring together influences from Dublin to Nashville, with a bit of Midwestern grit thrown in. The Toolies are a three-piece band based out of Madison, Wisconsin. Amy on fiddle. Peter on bass. Kurt thumping on bodhran and guitar—but not at the same time. Everybody sings. Loudly. Snacks will be provided.*
