Love And Joy  
Come To You!

Blessings,  
toasting, sharing  
and giving thanks  
during the  
Yuletide period is  
tradition and  
social distancing  
is making that  
hard for us this  
year. But we've  
figured out a way  
to come to you

virtually by wassailing! That's right, we'll be coming to you not quite door to door, but virtually with "luck visits" and singing carols via your electronic devices to wish you and yours good health and good fortune! An opportunity to bring some community merriment into your own homes.

The day will begin with a workshop by Rev. Selena Fox on the tradition of Wassailing. You'll also have the opportunity to make your own wassail to toast with later during the ritual.

We'll follow the workshop by our Wassailing concert of wonderful community members from across the country offering their songs, recitals, readings and toasts to you in your homes.

The day will wrap up with the Yule Ritual! Wassail!
